

### **Emergency Rule – Repeal 4-31 (B), 10-3 (F) and 10-5; Amend 2-11 (A) and 4-24**

The staff of the Legislative Legal Services Committee recommended that Personnel Director's Administrative Procedures 2-11 (A), 4-24, 4-31 (B), 10-3 (F) and 10-5 not be extended. Emergency rules were adopted effective January 5, 2006 to repeal 4-31 (B), 10-3 (F) and 10-5 and January 13, 2006 to amend 2-11 (A), 4-24. A rulemaking hearing for permanent rules to address these issues will be held March 8, 2006.

The rules on our website were updated to reflect the changes but the hard copy revisions will not be published until February 10 in the Colorado Register. Please be aware that the changes were effective upon the adoption dates noted above.

For additional information, please see a [strikeout version](#) of the repealed/amended rules and a copy of the [notice for the rulemaking](#) hearing.
